# CITY OF OAK RIDGE, TENNESSEE PROPERTY TAX INCENTIVE PROGRAM POLICIES AND PROCEDURES

## **Section I. General Purpose and Objectives\***

The City of Oak Ridge, Tennessee (the "City") and Roane County, Tennessee (the "County" and together with the City, the "Local Governments") are committed to improving their local business environment and economy. In furtherance of this objective, the Local Governments have established, in cooperation with The Industrial Development Board of the City of Oak Ridge, Tennessee (the "Oak Ridge Board") and The Industrial Development Board of Roane County, Tennessee (the "Roane County Board," and together with the Oak Ridge Board, the "Boards"), a program to provide economic incentives to qualifying entities based on payments in lieu of taxes ("PILOT"). This program is intended to attract and retain, on a basis competitive with other local governments, businesses that provide the types of employment, capital investment, community involvement and financial impact sought by the Local Governments for their citizens.

The Local Governments have adopted these Policies and Procedures to guide the Boards in considering and evaluating on a case-by-case basis whether particular projects in the Local Governments will be eligible for a PILOT incentive. These Policies and Procedures should not be construed to require the Local Governments or the Boards to approve a PILOT incentive for any Person. Granting a PILOT incentive is solely within the discretion of the Boards acting within the parameters of these Policies and Procedures. In order, however, to inform potential applicants for PILOT incentives of the specific criteria that the Boards will consider in evaluating applications for PILOT incentives, the Local Governments and the Boards have adopted these Policies and Procedures to provide guidelines for evaluating requests for PILOT incentives.

The Boards administer the PILOT for the Local Governments. Each Board is a public nonprofit corporation that was established pursuant to the Tennessee Industrial Development Corporation Act ("Act"), Tenn. Code Ann. §§7-53-101 et seq. The Boards' statutory purposes include financing, owning and leasing certain real and personal properties, which will have the effect of maintaining and increasing employment and otherwise promoting new industry, commerce and trade in Tennessee and in particular, the Local Governments. The Boards will conduct their activities consistent with the provisions of the Act and the intent of the Local Governments as set forth in these Policies and Procedures.

Originally, these Policies and Procedures were intended to apply only to Projects that are within the County. Since the City of Oak Ridge is located in two counties, Roane and Anderson, the City utilizes these Policies and Procedures for all Projects presented to the Oak Ridge Board. These Policies and Procedures will be applied by the County and the Roane County Board to Projects that are located within the County but outside the boundaries of the City, except all references to the City in these Policies and Procedures will not be applicable in those cases. Moreover, the County reserves the right to modify these Policies and Procedures as to Projects outside the boundaries of the City.

---

**\* Capitalized terms used in these Policies and Procedures that are not otherwise defined shall have the meanings given to such terms in Section III.**

Any Applicant for a PILOT shall only be required to submit an Application attached hereto as Appendix D to one of the Boards, and only one of the Boards shall be required to consider and/or approve an Application. Any reference in these Policies and Procedures to a Board shall be deemed to refer to the Board to which an Application has been submitted. Only one Board shall consider an Application at one time, and if one Board takes action on an Application, the other board shall not consider an Application for the same or substantially similar Project for a period of one year. An Applicant should submit its Application to the Board that is affiliated with the Chamber of Commerce or Economic Development Organization with which the Applicant has had the primary contact in connection with its Project.

In evaluating Applications to participate in the Local Governments' PILOT program, each Board will apply the following general guidelines:

1. **Public Interest/Increased Employment** In accordance with the objectives of the Act, the Board must find that each proposed Project will be in the public interest and will increase employment within the Local Governments.
2. **Eligible Projects** The Board will only approve PILOT incentives for the following Project types:
  - a. Commercial businesses and commercial housing that the Board determines will materially increase sales taxes for the Local Governments
  - b. Distribution facilities that receive and distribute goods
  - c. Office buildings and service facilities. New speculative office buildings are not eligible
  - d. Industrial facilities that manufacture, assemble, process or fabricate other products
  - e. Renovation and/or utilization of existing facilities as part of a new or expanding industry
  - f. Manufacturing Equipment

If a proposed Project would otherwise not be eligible for a PILOT incentive because it does not meet these guidelines but the Board determines that, based upon unique factors in the particular case, a PILOT incentive would be appropriate for the Project, the Board shall not approve such PILOT incentive without obtaining the prior approval of the Local Governments.

3. **Evaluation Matrices** Provided a Project satisfies the first two guidelines stipulated above, the Board shall determine the term, if any, of the PILOT incentive by applying the Evaluation Matrices attached hereto as Appendices A and B. The implementation of the Evaluation Matrices is described in more detail in Section IV. The term of any PILOT incentive shall be the same with respect to payments to both the City and County.

If a proposed Project would be eligible for a certain PILOT Term under the Evaluation Matrices but the Board determines that, based upon unique factors in the particular case, a longer PILOT Term would be appropriate for such Project, the Board shall not approve a longer PILOT Term without obtaining the prior approval of the Local Governments.

## **Section II. Conflicts of Interest**

Each Board member shall be responsible for disclosing any material interest that he or she may have in or with a Project or an Applicant or any financing source for a Project. Any Board member having any material interest in or with a Project or an Applicant or financing source for a Project shall submit to the Board's counsel an explanation of that interest, and the Board's counsel shall advise both the Board and Board member whether the member should recuse himself or herself from consideration of the Application. Such recommendation of the Board's counsel shall be conclusive. If recusal is recommended, the Board will then consider the Application without participation from the member or members who recuse themselves.

To avoid conflicts of interests, the Board's counsel will disclose to the Board if he has a professional legal relationship with or material interest in a Project or an Applicant or any financing source for the Project, and in the event of such a conflict involving the Board's counsel, the Board will retain special counsel to represent it in connection with the particular Project being considered. The Board, however, may waive any such conflict in appropriate circumstances.

## **Section III. Definitions**

For purposes of these Policies and Procedures, the following terms shall have the following meanings:

**"Applicant"** means the Person, with the authority to legally represent the entity, applying to the Board for a PILOT incentive with respect to a Project.

**"Application"** means the application submitted to the Board by an Applicant to receive a PILOT incentive.

**"Board"** means the Industrial Development Board (IDB).

**"Brownfield Site"** means a parcel of property, the expansion, redevelopment, or reuse of which may be complicated by the presence or potential presence of a hazardous substance, pollutant, or contaminant.

**"Economic Development Organization"** means the Oak Ridge Economic Development Initiative (EDI), the Roane Alliance or the Anderson County Economic Development Association.

**"Economic Leakage"** means the loss of sales and sales tax revenue from one community to a neighboring community.

**"Energy Efficiency Building"** is a building that meets or exceeds certified energy efficiency standards such as LEED®, Leadership in Energy and Environmental Design.

**"Expansion"** means the addition of buildings, structures, machinery and/or equipment for the purpose of expanding a Project.

**"FTZ"** means Foreign Trade Zone #148.

**"Governmental Authority"** means the United States, the State of Tennessee, any political subdivision of either, and any agency, department, commission, board, bureau or instrumentality of any of them.

**"Greyfield"** means any previously developed property that does not have known environmental contaminants but is economically nonviable in its current state and has conditions that significantly complicate its redevelopment or reuse, as determined by the Board.

**"Lease Agreement"** means the lease agreement between the Applicant and the Board pursuant to which the Board leases a Project to the Applicant and agrees upon the terms of a PILOT incentive.

**"Leasehold Tax"** is a tax levied by the State of Tennessee and administered by the County Tax Assessor. No abatement prescribed herein affects the State leasehold tax.

**"Local Company"** is a company that (i) has its principal office within the Local Governments, (ii) operates one of its principal facilities in the Local Governments, or (iii) has a significant executive and management presence in the Local Governments.

**"MOU" (Memorandum of Understanding)** means the signed document that outlines all the pertinent terms and conditions required to develop the lease agreement of the PILOT incentive

**"National Corporate Headquarters"** means a Project that meets the following criteria as determined by the Board:

- i. The entity occupying the Project must be a business of regional or national significance;
- ii. A significant percentage, as determined by the Board, of the decision-making officers or employees of such entity must work and maintain their primary offices at the proposed Project;
- iii. The Project will be the office location of a majority of the management employees of such entity; and
- iv. The entity must make a significant financial commitment, as determined by the Board, to construct or improve the Project.

**"Payment-in-Lieu-of Taxes" or "PILOT"** means payments established by a Board to be made in lieu of ad valorem (land, building or equipment) taxes with respect to a Project.

**"Person"** means any individual, sole proprietorship, corporation, limited liability company (LLC), association, partnership (general, limited, or limited liability partnership), organization, business, trustee, individual or government or political subdivision thereof or any governmental agency, with the legal authority to submit an application for a PILOT incentive.

**"PILOT Term"** means the period of time, in years, during which a PILOT incentive is in effect pursuant to a Lease Agreement.

**"Project"** means the acquisition, construction and/or improvement of land, buildings, structures, machinery, equipment and related improvements as described in an Application. A Project may include any Expansion that an Applicant commits to commence within three (3) years of the execution of the Applicant's Lease Agreement. Any Expansion undertaken after such date will require a new Application to be filed with the Board with respect to the Expansion. A Project must be located on a single tract of property or contiguous tracts of property.

**"Speculative Buildings"** means construction of a building with no formal commitment from an end user for the finished building.

## **Section IV. PILOT Amount, Application of Evaluation Matrices and Alternative Calculation**

### **PILOT Amount**

If an Applicant is approved for a PILOT incentive, the amount of the PILOT for the PILOT Term shall be equal to the taxes imposed by all taxing authorities on the property and capital improvements that are the subject of the PILOT. If the property and/or capital improvements were previously exempt from taxation, it will then be an amount equal to the taxes that would have been imposed on the property and capital improvements if the property had not been so exempt.

### **Application of Evaluation Matrices**

The Evaluation Matrices attached as Appendix A and Appendix B are intended to provide objective criteria for the Boards to assist in determining the length of the PILOT Term, if any, with respect to a Project. The Boards may consider other special circumstances as it deems relevant in determining a PILOT Term with respect to a particular Project, provided, however, in no event shall the Board award more than 30 points in the aggregate under the Evaluation Matrix for special circumstances without the consent of the Local Governments.

### **Industrial/Office Matrix (Appendix A)**

The Industrial/Office Matrix is intended to provide objective criteria for the Boards to assist in determining the amount and length of the PILOT Term, if any, specific to each Project. All approved incentives are based on the Industrial/Office Matrix. The Oak Ridge Board only authorizes incentives within the parameters of the Matrix with the maximum PILOT Term being 14 years. The Oak Ridge Board may elect to recommend to the Oak Ridge City Council for consideration incentives outside the parameters of the Matrix. The Industrial/Office Matrix contains seven (7) criteria to be considered by a Board in establishing a PILOT Term. The following is a brief discussion of each criterion, which discussion is intended to provide guidance as to how each criterion will be applied by the Boards:

1. **New Jobs** – The number of new jobs will be based upon estimates to be provided by the Applicant and the Boards may obtain other information as required. The estimate of new jobs will be based upon the number of new jobs that are anticipated to exist at the Project site three years after completion of the Project. Permanent full-time, full-time equivalent, seasonal, and contract jobs will be considered by the Board, but part-time employment will be appropriately weighted by the Board.
2. **Wages** – The average annualized wage that is to be paid by an Applicant, as compared to the most recent per capita income for the applicable County as published by the United States Census Bureau <https://www.census.gov/>, will be a relevant factor in the Board's consideration of an Application. An Applicant who pays an average annualized wage that surpasses 170% of the per capita income for the Local Governments may be given special consideration points. All special consideration points will be awarded at the Board's discretion.
3. **Capital Investment** – The Board will consider any Capital expenditure made by the Applicant in a Project. Special consideration on a case-by-case basis will be used to increase points to Applicants who are making more than \$30 million in capital expenditures. The Matrix utilized by the Oak Ridge Board includes points for buildings certified as energy efficient, such as LEED®. To be eligible for a PILOT incentive, an Applicant must agree to make a minimum of \$1,000,000 in capital expenditures.

Capital expenditures for specific items, such as land, building and equipment, must be made by an Applicant in substantially the manner represented to the Board in the Applicant's Application unless the Board otherwise consents.

4. **Location** – The location of a Project within any of the following areas will be a favorable factor:
  - Designated Brownfield
  - The FTZ
  - Any vacant existing business facility
5. **Residency of new employees** -The matrix permits 20 bonus points (see footnote in Appendix A) if at least 50% of the employees reside within the City of Oak Ridge and the Company must include information substantiating employee residency with the application and in the annual report as described in Section V. Post-Closing Monitoring.
6. **Residency of Chief Executive Officer** – The matrix permits 10 bonus points (see footnote in Appendix A) if the Chief Executive Officer resides within the City of Oak Ridge or Roane County depending on the Board with jurisdiction, and the Company must include information substantiating the residency with the application and in the annual report as described in Section V. Post-Closing Monitoring.
7. **High Technology Start Up**- Companies using new technology and/or new processes are eligible for 100% tax abatement for the first 3 years if approved by the Board. However, the total tax bill for the entire period of abatement would be due in the remaining years. For example, using Appendix A, a project would be eligible for a 10 year /50% abatement. The total tax bill for the entire 10 years would be \$1,000,000 with \$500,000 being abated. Thus, beginning in year 4, the project would pay an annual tax of \$71,428 for the remaining 7 years.

### **Commercial Matrix (Appendix B)**

The Boards use the Commercial Matrix as a guide along with other criteria in determining the feasibility of incentive requests. The Matrix utilized by the Oak Ridge Board includes consideration for buildings certified as energy efficient, such as LEED®. The Matrix is separated into the following three (3) commercial components:

- Commercial Housing
- Commercial Office
- Renovated Areas

In addition to the Commercial Matrix, consideration for the Commercial incentives may include the following:

- Economic Leakage
- Return on Investment
- Enhancement of Quality of Life
- Economic Analysis

**Alternative Calculation (Anderson County Portion Only)**

The Oak Ridge Board has the flexibility to grant PILOT incentives utilizing an Alternative Calculation, in the Anderson County portion of the City, of the PILOT amount in place of the standard calculation provided by the two matrices described above. The Alternative Calculation allows for a declining basis tax abatement, based on the Prime Rate plus 1% (the borrowing cost for most companies) on the day of closing of the PILOT lease agreement.

As demonstrated in the table below, the Alternative Calculation provides for a smaller overall tax abatement than the standard calculation of the matrices. The Alternative Calculation provides for a larger amount of abated funds in the early years of the PILOT Term, whereas the standard calculation provides for an equal amount of abated funds throughout the PILOT Term.

The PILOT calculation example below includes the following criteria:

- Within the Anderson County portion of the City of Oak Ridge
- Project valued at \$5,000,000;
- Matrix provides for 50% abatement for 6 years;
- City tax rate of \$2.39 and County tax rate of \$2.26, for a total of \$4.65, assume no increase in tax rate;
- Prime rate plus 1% at date of closing is 4.25%.

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Total
Standard Calculation	50%	50%	50%	50%	50%	50%	\$279,000
	\$46,500	\$46,500	\$46,500	\$46,500	\$46,500	\$46,500	
Declining Basis %	100%	66.7%	53.3%	40%	26.7%	13.3%	\$279,000
	\$93,000	\$62,031	\$49,569	\$37,200	\$24,831	\$12,369	
Alternative Calculation	100%	63.9%	49.1%	35.3%	22.6%	10.8%	\$262,010
	\$93,000	\$59,472	\$45,638	\$32,834	\$20,996	\$10,070	

**Section V. Post-Closing Monitoring**

Through the implementation of the PILOT program, the Boards intend to produce substantial and measurable changes and improvements to and for the economic and commercial environment of the Local Governments. Accordingly, each Lease Agreement with an Applicant will contain, in the manner determined by the respective Board, certain commitments relating to job creation, wage levels, and capital expenditures. The Boards will annually (or at such other times as it deems appropriate) evaluate each Project receiving a PILOT incentive to ensure compliance with the Lease Agreement applicable to the Project.

In order to assist the Boards in determining compliance with the Lease Agreements and in gathering information to help the Boards evaluate the effectiveness of its PILOT program, each Person who is a party to a Lease Agreement with the respective Board shall provide to the Board certain information in the manner described in the Lease Agreement, which information shall include, but not be limited to, the following:

1. **Capital Expenditures** – A list of all capital expenditures made with respect to the Project during the prior year.
2. **Employee Report** – To include at least the following:
  - a. Total number of employees
  - b. Total salaries
  - c. List of jobs with job classifications in such form as is required by the Board
3. **Vendor Support Report** – The gross dollars spent locally on supplier and professional service contracts during the prior year.
4. **Comparison Criteria Report** – A comparison of the Applicant's actual job creation, wages and capital expenditures with the Applicant's initial projections for job creation, wages and capital expenditures as shown in the Applicant's Application.  
If any such report or other information obtained by the Boards reveal that the Applicant has not complied with the Lease Agreement with respect to its employment, wage or capital expenditure commitments, the Board will have such remedies as are provided in the Lease Agreement. The specific remedies will be set out in the Lease Agreement, but, generally, if an Applicant fails in any year to meet the employment, wage or capital expenditure estimates provided in its Application and upon which the Evaluation Matrix was applied, the Applicant should expect that the Applicant's PILOT incentive would be proportionately reduced in that year in addition to a shortening of the PILOT term and any other remedies that may be available under the Lease Agreement.

*For example, if an Applicant was awarded 100 points based upon the application of the Evaluation Matrix, and the report filed by an Applicant in any year shows that the Applicant would only have been awarded 80 points for the relevant year based upon the actual facts, the Applicant would not receive 20% of its PILOT incentive for such year.*

On an annual basis, each respective Board will prepare a compilation of the information received from these reports. This annual compilation will be provided, within thirty (30) days of its completion, to the County Mayor and County Trustee of the County and the Mayor and City Manager of the City. The County Mayor will make such compilation available to the County Commission of the County, and the City Manager will make such compilation available to the City Council of the City. For the Oak Ridge Board, the compilation and distribution of the annual reports are the responsibility of the IDB Executive Assistant or City Staff.

## **Section VI. Fees**

Any Person desiring that a Board consider providing a PILOT incentive shall submit an Application to the appropriate Board in a form approved by the Boards. Any Applicant shall also follow the procedures set forth in Appendix C in applying for a PILOT incentive.

**1. Application Fees**

An Application fee must be submitted with each completed Application. The Application Fee shall be calculated using the following chart:

<u>Estimated Project Capital Expenditures At the Time of Application</u>	<u>Application Fee</u>
\$ 1,000,000 - \$ 2,500,000	\$ 2,000
\$ 2,500,001 - \$ 5,000,000	\$ 3,000
\$ 5,000,001 - \$10,000,000	\$ 4,000
\$10,000,001 - \$25,000,000	\$ 8,000
Greater than \$25,000,000	\$15,000

**2. Closing Fees**

A closing fee computed by City Staff as described in this paragraph will be paid to the respective Board prior to or at the execution of the Lease Agreement. Closing fees for PILOT incentives are based on the benefits that an Applicant will receive (i.e. value of the tax savings over the applicable PILOT Term) rather than on the total Project investment. The closing fee for a PILOT incentive transaction with the Board will be 5% of the expected tax savings for the Applicant, as estimated by City Staff, with a minimum closing fee of \$1,500 and a maximum fee of \$300,000. The Applicant receiving the PILOT incentive will also be responsible for paying expenses of the Board relating to the transaction (i.e. attorney's fees, copies, postage, long distance telephone calls, etc.).

**3. Lease Amendments**

If an Applicant requests an amendment to an existing Lease Agreement, the Applicant will pay a fee of \$1,000 at the time of the request.

**4. Assignment Fee**

If the Board approves the assignment of a Lease Agreement, the Applicant shall pay an assignment fee of 1% of the tax savings for the assignee following such assignment, as estimated by the Board, up to \$1,000,000 with a minimum fee of \$4,000 and 1/2% of such savings over \$1,000,000 with a maximum fee of \$25,000. The Applicant shall also be responsible for all expenses, including attorney's fees incurred by the Board, in connection with such assignment.

**5. Reciprocal Fee Payment and Notification**

An amount representing 30% of the applicable fees received by the Roane County or Oak Ridge Board pursuant to this Section shall be paid to the other board promptly upon receipt. Each Board will notify the County Mayor and County Trustee of the County and the Mayor and City Manager of the City of any Lease Agreement that provides for a PILOT within fourteen (14) days of entering into such Lease Agreement. The IDB Executive Assistant or City Staff will provide the written notification for the Oak Ridge Board.

## **Section VII. Memorandum of Understanding**

When the Oak Ridge Board approves a PILOT incentive, a Memorandum of Understanding (MOU) will be developed by the City Manager or City Attorney that outlines all pertinent terms and conditions of the incentive, hereto attached as Appendix E. The MOU will specify a date by which both the Board and the Applicant may anticipate an appropriate Lease Agreement to be executed. Signed by both the Chairman of the Board and the Applicant, the MOU will serve as the foundation upon which a formal lease document will be built. The following items may be included in the MOU, length of the PILOT incentive, percentage of tax abatement, performance standards, reporting dates and recovery provisions.

## **Section VIII. Assignment of Lease Agreement**

Lease Agreements will not be assignable without the prior consent of the applicable Board. An Applicant seeking an assignment of an Agreement shall confer with the Board to determine the proper procedure in the specific transaction. The Board will then determine whether the assignment will be approved or whether a new Application should be filed by the assignee.

## **Section IX. City of Oak Ridge – Application Administrative Process (See Appendix C)**

## **Section X. Oak Ridge Board Decision Process**

Following receipt of the City Manager's recommendation, the Oak Ridge Board will vote on the Applicant's request for an incentive. Should the Oak Ridge Board vote concur with the City Manager's recommendation, the decision is final. Should the Oak Ridge Board vote differ with the City Manager's recommendation, the City Manager may reevaluate his recommendation in light of the Board vote and resubmit. Should the Board and City staff not reach agreement, the matter is referred to the Oak Ridge City Council for final resolution.

## **Section XI. Environmental Report Requirements**

Each Applicant shall submit with its Application, the most recent Phase I Environmental Site Assessment Report (unless the Project consists only of new equipment) with respect to the proposed Project site. All such reports must grant to the Board the right to rely on such reports. All Phase I Environmental Site Assessments submitted to the Board should substantially conform to the ASTM standards. An Environmental Assessment or Environmental Impact Statement performed by or on behalf of the U.S. Department of Energy may substitute for an Environmental Site Assessment. The environmental contamination of a Project site may be a basis for rejecting an Application if the Board's counsel advises the Board that the respective Board or the Local Governments would have any obligation to remediate the contamination if the Board acquires the Project site.

## **Section XII. Miscellaneous**

These Policies and Procedures shall not be construed to create any type of contract or agreement between the Board or the Local Governments and any third party, including any Applicant. Notwithstanding any provision of these Policies and Procedures to the contrary, the Boards retain the right, in their sole discretion, not to enter into any Lease Agreement with any Applicant and not to approve any Application for a PILOT incentive. If any Applicant does not enter into a Lease Agreement with respect to a proposed Project within one year of the initial approval by the Board of the Applicant's Application for a PILOT incentive, that Applicant's Application shall be deemed to be withdrawn, and the Applicant shall be required to resubmit a new Application if the Applicant wants the Board to continue to consider the Applicant's Project for a PILOT incentive.

### **Section XIII. Program Term**

Each Board is authorized to negotiate PILOT incentives pursuant to these Policies and Procedures for a period of three years from the date these Policies and Procedures are approved by the County Commission or City Council of the Local Governments. After such date, the Boards shall not be authorized to negotiate PILOT incentives pursuant to these Policies and Procedures unless the County Commission of the County and the City Council of the City have reviewed these Policies and Procedures.

### **Section XIV. Modifications**

*Boards and Local Governments must approve any modification of these Policies and Procedures except as provided in Section I.*

**AVAILABLE BONUS POINTS**

- 10 Points if project is a corporate headquarters
- 10 Points if project is on a Brownfield
- 10 Points if building is certified for energy efficiency, such as LEED®.
- 10 Points if chief executive resides within the City of Oak Ridge or Roane County depending on IDB with jurisdiction
- 20 Points if 50% of employees reside within the City of Oak Ridge or Roane County depending on IDB with jurisdiction

**Notes:**

- 1 The maximum abatement in the City of Oak Ridge, Anderson County, and Roane County is 50%
- 2 Investments greater than \$200 million will be separately evaluated for abatements of up to 100% if approved by the local IDB

**APPENDIX C**  
**PILOT INCENTIVE PROGRAM PROCEDURES**  
**INDUSTRIAL DEVELOPMENT BOARD OF THE CITY OF OAK RIDGE (IDB)**

1. An Applicant should request the scheduling of a pre-application meeting with the City Manager to discuss the PILOT incentive procedure as it relates to the Applicant's Project. The following representatives should participate in the pre-application meeting:
  - a. City Manager, or designee
  - b. Potential Applicant with supporting staff, if applicable
  - c. IDB Chairman
  - d. IDB Executive Assistant
  - e. Others, if applicable (i.e. chamber of commerce, economic development organization, or recruiting organization representative working with the Applicant)
2. The Applicant shall submit its Application (which shall be in the form of Appendix D) prior to receiving a building permit with all documentation pertaining to the Application by scheduling an appointment with and submitting it to the City Manager no less than 14 days prior to a scheduled meeting of the IDB. The following Information must accompany the Application unless waived by the IDB:
  - a. Financial Statements – preferably audited statements, at least statements reviewed by a CPA;
  - b. Phase 1 Environmental Audit addressed to the Board;
  - c. Application Fee.
3. The City Manager, or designee, will ensure that the Application is complete and that appropriate fees have been paid. The Oak Ridge City Manager and staff will review all applications and make a written recommendation (including an approved Matrix) to the IDB based on their analysis of the Application. Prior to issuing a written recommendation to the IDB, the City Manager/staff may consult the following parties:
  - a. Applicant, or its representative
  - b. IDB Chairman
  - c. IDB Executive Assistant
  - d. City Staff
  - e. Others, as needed (i.e. chamber of commerce, economic development organization, or recruiting organization representative working with the Applicant)
4. Following the receipt of the City Manager's written recommendation, the IDB will vote on the Applicant's request for an incentive. Should the IDB vote concur with the City Manager's recommendation, the decision is final. Should the IDB vote differ with the City Manager's recommendation, the City Manager may reevaluate his recommendation in light of the IDB vote and resubmit. Should the IDB and City staff not reach agreement, the matter is referred to the Oak Ridge City Council for final resolution.
5. Based upon the Application, the IDB will determine whether to give preliminary approval for a PILOT incentive. If preliminary approval is given, a memorandum of understanding (MOU), attached as Appendix E, outlining all pertinent terms and conditions of the incentive will be developed by City Staff.

The MOU serves as the foundation upon which a formal Lease Document is built. Upon execution of the MOU, the IDB's counsel will prepare the form of Lease Agreement and negotiate the form of such Lease Agreement with the Applicant's designated representative.

6. Once the Applicant and the IDBs' counsel agree on the proposed form of a Lease Agreement, such Lease Agreement shall be submitted to the IDB for its approval. When the Applicant's matter is to be considered at an IDB meeting, a representative of the Applicant should attend such meeting.
7. Upon IDB approval of the Lease Agreement, a date for the closing can be scheduled immediately. The following documents are needed at closing:
  - a. Lease Agreement
  - b. Special Warranty Deed (if real property is involved)
  - c. List of Encumbrances on the Property
  - d. Bill of Sale (if personal property is involved and has been acquired)
  - e. Closing fees certified or cashier's check or other collected funds
  - f. Such others as may be referred to in the Lease Agreement
8. Upon closing, appropriate documentation will be filed with the County Register's Office. Originals of all documents will be held by the IDB or its counsel. The IDB counsel will file a copy of the Lease Agreement with the appropriate County Mayor, the Mayor of the City of Oak Ridge and with the State Comptroller's office at the following address:

The Office of the Comptroller  
Division of Property Assessment  
501 Deaderick Street  
Suite 1400 (EDA Compliance)  
Nashville, Tennessee 37243-0277

9. In accordance with these Policies and Procedures, Applicants will be required to file annual compliance reports with the IDB.
10. Tenn. Code Ann. §7-53-305 requires the lessee under each Lease Agreement to file with the State Board of Equalization before October 1st of each year an annual report containing a list of all the real and tangible personal property owned by the Board subject to the Lease Agreement; the value of each listed property as estimated by the lessee of property; the date and term of the lease for each listed property; the amount of payment made in lieu of property taxes for each listed property; the date each listed property is scheduled to return to the regular tax rolls; and a calculation of the taxes, which would have been due for each listed property if the properties were privately owned or otherwise subject to taxation. Each Applicant will be responsible for the timely completion and filing of such reports with respect to its Project, and failure to timely complete and file the report may subject such Applicant to the penalties set forth in the "Act". The Applicant is require to submit a copy of each such report to City Staff for inclusion in the Project file. The copy should be sent to:
